“Exceed the expectations of
our clients”

OUR HISTORY

We have started since February 2007 to trade palm oil derivatives (both edible and nonedible) to various industry locally and a handful of overseas clients. We have since grown bigger and stronger. Our company aims to provide professional service at all time and situation. We will give all of our support to fulfill customer requirements. Our experience in direct trading had earned us an unparalleled reputation for service and quality among our clients. We provide customized products and solutions to meet your financial budget and requirement which is solely focused on you.
